

Flightline Aviation Limited – North Shore

Aircraft Engineers Required

Here is your opportunity to join the Flightline Aviation North Shore team, servicing both rotary wing and fixed wing aircraft in a growth area.

Flightline Aviation is engaged in a wide range of general aviation fixed wing and rotary wing aircraft maintenance.

Come and experience the lifestyle of Auckland's North Shore, and the professionalism of New Zealand's leading general aviation engineering company.

Flightline Aviation, based at North Shore's Dairy Flat airfield, has full time engineering vacancies in their team.

LAME or Aircraft Tradesman

We require the services of a LAME or Aircraft Tradesman with Group 1 rotorcraft/aeroplanes and powerplant experience and ideally Group 2 rotorcraft/aeroplanes and powerplant experience, however not essential as training will be given.

In return you will enjoy a great working environment, join an awesome team, and be rewarded with an attractive remuneration package commensurate with your experience.

If you have the skills, are looking for a new challenge, and want to work for a nationally recognised leader in general aviation please forward your letter of application and curriculum vitae to:
